### Description

The FX Cruiser HO offers a real leap forward in cruising luxury and performance – with every detail designed to excite you and make your time on the water more enjoyable.

The journey starts with a smooth surge of power from the large-displacement 1812cc engine, followed by a wonderful feeling of confidence as you explore the sure handling and stability of the lightweight NanoXcel® hull and deck.

The discovery continues with an Electronic throttle system, Reverse Traction Control and remote security, as well as a host of other features – adjustable steering, extended stern platform, 3-person Cruiser seat, more storage space. In short, a whole new world of cruising pleasure.
