Description

The VJF 250 is the new kid on the block and redefines the meaning of value.

The VJF 250 is set to raise the bar for 250cc sportsbikes, coming standard with a liquid cooled EFI engine, twin front disk brakes and looks that are sure to give you some street cred.

The VJF 250 is built to the highest standards and is fully supported by a 2 year warranty. Arrange a test ride today to see what all the fuss is about.
